

## editorial flash

Come December 10th, we will be five - THAT IS A BIG 5 - years young! I'm not sure what this means in "Internet time," which is no longer in vogue, along with the "New Economy" and other pre-bubble burst baubles . . .

But I know what it means in real time: A trip through the "Valley of the Shadow of Death" for our company; soul and help wanted ad searching; working sixteen hour days "to stay in the game;" and succeeding against all odds.

Our child, Newmedia Publishing, is now growing its wings. The Internet has become the indispensable and profitable medium we bet it would be one day. This day is beckoning.

We plan to make it memorable to all of you. Here are three ideas. You will find one of them in your Inbox next time:

1. A \$1,000 free ebook promotion to our 10,000 opt-in newsletter readers.
2. Free access to Laura Budd's new web-book, *Valkyrie*, for the 100 readers who respond first. Also worth \$1,000.
3. 15 free copies of *From Love to Triumph*. This edition now includes a letter from First Lady Laura Bush. Retail value: \$1,000 (includes CD). First come first serve, like the others!

Your editor, Steven Kingsley

## author's spot: june marshall

Where have all the good men gone?

Where have all the good women gone?

If you are asking this question, then follow the links to June Marshall's relationship books and ebooks:

*The Dirty Seven: Ladies Beware!*

*Booby Trapped: Men Beware!*

She has the answers. She also sorts through the seven types of men and seven types of women who will never - yes, never - make good mates. As she once told us, "Not everyone is ready to be in a relationship - just because they want to be in one."

## hot off the press

After working with Google Print for over half a year, we are now allowed to "spill the beans" and count our blessings:

- \* As one of the few select publishers, we now have the print edition of our authors' works included in the beta program of [Google Print](#). Next to come: Froogle, Google's online shop!
- \* Check out the write-up on [Researchbuzz](#) about the *Theodore Roosevelt Cyclopedia*, gubernatorial papers, and speeches we delivered to the Theodore Roosevelt Association, as part of a project to convert the TR CD-ROM into a web-book.

## hot on the burner

Our [publishing calendar](#) (workload in plain English) will keep us burning the proverbial "midnight oil" for the rest of the year and well into next year:

iWords program releases scheduled for the 4th quarter of 2004:

- \* *Controlled Defense* by Rick Tanos
- \* *The Perfect Method for Finding the Perfect Man* by Mike Green

iWords program release scheduled for the 1st quarter of 2005:

- \* *Too Tough for Tears* by Barry Goode

## our multimedia projects are cool
